## TOURS

### UA Museum of Natural History

Saturday Only

March 11, 2017

12:00 p.m., 1:00 p.m., & 2:00 p.m.

1311 E 4th St.

Biological Sciences East | Room 129

The UA Department of Ecology and Evolutionary Biology maintains five biological research collections which together form the largest, most comprehensive zoological museum in Arizona and are among the nation's largest regional University-based collections. See behind the scenes of the Ichthyology (Fish), Ornithology (Birds), Herpetology (amphibians and reptiles) and Mammalogy collections, which are usually not open to the public.

Pick-up free tickets at Science City Visitor Center.
