

Science City Volunteer Jobs

SCIENCE CITY VISITOR CENTER

Welcome visitors and help them have the best experience while visiting Science City! The Science City Visitor Center will be the “Go-To Place” for visitors to find out what’s happening and when, in Science City. Share information about the activities in each tent as well as the schedule for shows on the Main Stage and presentations in the Science Café. The Visitor Center will also be the hub for visitors to learn about the Science open houses and tours happening across campus.
