Science City Volunteer Jobs

**SCIENCE CITY VISITOR CENTER**
Welcome visitors and help them have the best experience while visiting Science City! The Science City Visitor Center will be the “Go-To Place” for visitors to find out what’s happening and when, in Science City. Share information about the activities in each tent as well as the schedule for shows on the Main Stage and presentations in the Science Café. The Visitor Center will also be the hub for visitors to learn about the Science open houses and tours happening across campus.

**SHIFTs**

**Saturday (March 2):**

SURPRISE ME
If you are excited about helping, but don't have a strong preference for a particular job, this may be the role for you! Flexibility and willingness to help where the need is greatest, is the key. Responsibilities may include being assigned to one of the other volunteer roles, or helping in a variety of unexpected ways!

SHIFTS
